Airbrush make up!
Completely brand new service

Unlike traditional makeup (where you rub makeup into your skin), airbrushing sprays a fine mist, so the makeup "sits evenly" on your skin. Airbrush makeup provides flawless coverage (sheer or opaque), by minimizing skin imperfections and produce a perfect smooth finish.

This type of makeup is very effective for skin blemishes, spots, acne marks and scars as it minimizes the appearance of imperfections leaving ideal for brides and special events porcelain.

Cost: \$ 95 USD – Not available with Resort Credits.
